

Product Data/Application Guide

Easy-Clean Degreaser

Industrial Grade, Biodegradable, Multiuse Cleaner

Description: Seal 'n Lock Degreaser is a powerful seven blend, fast acting, and environmentally safe industrial strength dissolving agent. It quickly lifts grease and petrochemical agents out of surface pores and breaks them down into safe biodegradable matter that can be washed away with water.

Advantages

- Easy to use
- Retards bacterial contamination
- Water soluble
- Fully biodegradable
- Powerful grease disarming action
- Fast neutralizing –dissolving action
- Commercial strength
- Reliable performance
- Non-toxic
- Breaks down residues in minutes
- Non-Flammable
- Eliminates odors

Estimating guide: Degreaser can be used at full strength or diluted up to 30 parts water to 1 part solution. Refer to dilution chart on back of page. Dilution varies for different substances and surfaces. Full strength is recommended for oil and grease stains.

Directions For Use

Step 1. Using recommended protection, carefully apply properly diluted solution using a sprayer, roller and/or sponge. Make sure to wear eye protection (Goggles) and rubber gloves.

NOTE: Solution may etch polished surfaces or stain anodized aluminum unless rinsed off quickly. Some surfaces may require sample testing of a small area to determine optimum concentration. Dilute solution with water according to dilution chart for less penetration of sensitive surfaces.

Step 2. Wait up to 15 minutes. Reaction time takes several minutes, however, additional time may be required depending on grease age and thickness.

Step 3. Rinse thoroughly with water.

Packaging

2 Gallon, 5 Gallon Pails and 55 Gallon drums.

Storage

Do not store below 34 degrees.

Dilution Chart

1	Aluminum Parts	5:1 to 15:1
2	Adhesive	1:1 to 10:1
3	Appliances	10:1
4	Autos, Interior and Exterior	30:1
5	Bait Tanks/Fish Wells	10:1
6	Barbeque Grills	1:1
8	Bathtubs	3:1 to 10:1
9	Bikes	10:1
10	Boats Exteriors	30:1
12	Bulkheads	10:1
13	Buses	20:1
14	Canvas	5:1 to 10:1
15	Car Interiors	15:1
16	Car Wash	10:1
17	Carbon Deposits	1:1
18	Carpets Auto	5:1
19	Carpets Cleaning Machines	5:1
20	Carpets - Fabric Spot Cleaning	5:1
21	Carpets General Cleaning	10:1
22	Carpets Spot	1:1
23	Cars, Vans, Motorcycles, Trucks	15:1
24	Chrome	20:1
26	Coffee Maker Automatic	1:1
29	Concrete	1:1
30	Counter Tops	10:1 to 30:1
32	Machinery	1:1 to 5:1
33	Decks	1:1 to 5:1
34	Diesel Fuel	1:1 TO 5:1
35	Dip Tanks	2:1 to 10:1
36	Dishwashers	1:1 to 3:1
37	Display Cases	15:1
38	Docks	15:1
39	Drain	1:1
40	Driveways - Concrete	1:1
42	Engines, Tires, Wheels	1:1 to 10:1
43	Equipment Cleaning	10:1
44	Fabric Spot Cleaning	1:1 to 5:1
45	Fabric Vinyl Upholstery	20:1
46	Fiberglass	1:1
47	Fireplaces	1:1
49	Floors Linoleum	20:1
50	Floors No Wax	10:1
50	Floors Scrubbers	15:1
51	Floors Tile	10:1
52	Floors Vinyl, Wood, Terrazzo	15:1
53	Furniture Plastic, Laminated	10:1
54	Galley Ovens, Ranges, Grills	1:1 to 10:1
55	Gangways	5:1 to 10:1
56	Garage Floors-Concrete	1:1
57	Garbage Containers	1:1 to 5:1
58	Garbage Disposals, Drains	1:1
59	General Cleaning	10:1
60	Glass & Glass Windows	30:1
61	Grease & Grease Filters	1:1 to 10:1
63	Grout	1:1
64	Hulls	5:1 to 15:1
65	Inflatable	1:1 to 10:1
67	Kitchens: Counters, Utensils	1:1 to 10:1
68	Kitchens: Ovens, Ranges, Grills	1:1 to 10:1
69	Laundry Full Load	¼ Cup 8
70	Laundry: Heavy Soil/Stain	1:1 to 5:1
71	Laundry Pre-Wash	1:1
73	Lights	20:1
74	Lubricants (machine)	1:1 to 5:1

All-Purpose Cleaner/Degreaser

Mix appropriate solution using the Applications/Dilution Ratio Chart. These are guidelines; cleaning conditions vary.

Try the ratio suggested first; then strengthen or repeat application if necessary.

RATIOS

Can be mixed from Full Strength up to 30:1

76	Machinery	1:1 to 10:1
76	Manufacturing Equipment	1:1 to 10:1
77	Marble -unfinished	30:1
79	Mirrors	10:1
80	Motorcycles	20:1
81	Oil Deposits	1:1
82	Ovens Conventional	1:1 to 5:1
83	Ovens Microwave	3:1
84	Ovens Stainless Steel	2:1
85	Paint Preparation	3:1
86	Parts Washer	1:1 to 5:1
88	Patio Furniture	10:1
90	Porcelain	10:1
92	Pressure Sprayers	1:1 to 10:1
97	Showers	1:1
98	Sink	1:1
99	Smoke	4:1
100	Soot	1:1
102	Spot Cleaner/Fabric Cleaning	1:1 to 5:1
103	Stainless Steel	3:1 to 15:1
104	Steam Cleaning	10:1
106	Tents	1:1
107	Tile	3:1 to 10:1
108	Tires	1:1
109	Toilets	1:1 to 5:1
110	Tool Bit Cleaning	1:1
113	Tools	1:1
114	Toys	5:1
115	Transmission Cases	1:1 to 10:1
122	Fire places	1:1 to 10:1
124	Vinyl, plastic liners	10:1
125	Walls	10:1
126	Waste/ Garbage Containers	1:1 to 10:1
127	Wax Stripping	1:1
128	Wheels	1:1
129	Whitewalls	1:1
133	Woods and Timber	1:1 to 5:1
134	Mold - Algae	1:1
135	Odor	1:1
136	Bacteria	1:1
